## INFN 70TH ANNIVERSARY CELEBRATIONS CONTINUE

Celebrations for the **70<sup>th</sup> anniversary of INFN foundation** continue and will end in September. It was a year full of events (<https://70.infn.it/eventi/>) for the Institute through its Laboratories, Divisions and associated Groups.

INFN research was narrated in its international dimension and in its relationship with the territory, with a particular attention to history and a glance at today's and tomorrow's challenges, drawing the

portrait of **a community that works with passion and dedication.**

The INFN Cagliari and Catania Divisions will celebrate the anniversary on 6 September, while the closing event is scheduled for 27 September in Turin, as part of the presentation of the Three-Year INFN Plan.
